Senior Center Council Report December 2021

Holiday cheer was abundant at the Groveport Senior Center this December with a decorating party, trips out to lunch and one to see ELVIS, Christmas crafts and a treat box drive-thru event, Armchair travel to Italy and a catered holiday themed lunch, and all the other great programs we have at the center each week! Here are some highlights...

Deck the Halls: Christmas decorating party (12/1). We decorated all the spaces at the Senior Center and enjoyed holiday music and fellowship.

Holiday Treat Drive-thru Give Away: Our partners at Violet Springs Health brought boxes filled with cookies and treats to give away at our Holiday Treat box drive-thru event (12/20). 70 members signed up to receive a treat box!

Craft Club and Card Making: Our monthly craft club, sponsored by Wesley Ridge Retirement Community, made beautiful ornaments for their Christmas trees and we also had an instructor lead card making night where members made hand made Holiday cards!

Adopt-a-Family: Groveport Seniors Inc. club began collecting money to support Groveport Madison Human Needs Adopt-a-Family program in the fall of 2021. This year the club was able to collect over \$1000.00 to donate to AaF!

Fourth Quarter Report 2021

City of Groveport Transportation

Progress Report

Groveport Transportation finished 2021 serving 87 unique individuals providing 2711 rides (400 more rides than 2020). Our goal for 2021 was 90 unique individuals. We did not meet our goal for the year. The number of riders this year is very close to the same amount of riders we served in 2020. I believe the Covid-19 Pandemic has had an impact on our ridership, even though we were able to provide more rides this year to those who are using the service.

As we reported in the Third Quarter, we had an excellent response to our yearly phone survey with 138 (out of 139) clients responding positively.

We look forward to providing the senior residents of the City of Groveport with the same excellence in 2022 and we are hopeful that we will increase our unique ridership.
