

Report to Mayor and Council  
October 2018

	Rounds	
	September	YTD
2012	3,281	29,604
2013	3,343	26,361
2014	3,382	25,265
2015	3,135	23,380
2016	2,773	23,439
2017	2,181	19,216
2018	2,155	19,782

Green aerification went very well and remaining spots of flood damage have been slit seeded. The annual deep tinning of greens is tentatively scheduled for the middle of November.
