PUBLIC WORKS

- Public Works crews have begun asphalt repairs along with milling away bad joints, humps from road failure throughout neighborhoods and commercial areas.
- Started brick repairs in park strip along Main Street as Water Plant staff began painting fire hydrants.
- The seasonal work continues with brush pick up and mowing.
- The play group at Founders Bend is complete. The sign for the park entrance, benches and the trash can will be installed by park maintenance crews. A service road will be paved to the structure in the fall.

Any questions and/or concerns contact Dennis Moore.
