**City Administrator Report to Council**  
**BJ King, City Administrator**  
**July 17, 2023**

**Pending legislation**

**Ord. 2023-028 – Police Department staff level increase**

Approval of this legislation would authorize the increase of the Police Department staff level by one (1) officer. This would result in the staff level being established at 26 officers. This request is to accommodate the additional SRO officer that was requested by the school district. Council recently approved the aforementioned contract.

**Ord. 2023-029 – OPWC application – Port Road Phase II Reconstruction**

This legislation would authorize the preparation and submission of an Ohio Public Works Commission (OPWC) application for the Port Road phase II reconstruction project. The project would extend between Spiegel Drive and Rohr Road, a distance of about 1,900'. The scope will include reconstruction of the road way, including curbs and gutters. If awarded, construction would occur in 2024.

**Administrative Items**

**Raver Alley & Hickory Alley turning radius**

Included in this report are diagrams that show the turning radius of various sized delivery trucks making left hand (westbound) turns from Raver Alley onto Hickory Alley. These diagrams were prepared in response to the request to make Raver Alley one way (southbound) between Elm Street and Hickory Alley. As you will see on the diagrams, there is currently not sufficient turning radius for the trucks to make the westbound turn from Raver Alley onto Hickory Alley. I have reviewed this information with our City Engineer, who will be out of town next week. I look forward to the discussion about this issue during Monday's Committee meeting.

**Attended Meetings/Events:**

7/6/2023- EMA notification system meeting  
7/7/2023- FOP meeting  
7/10/2023 – City Council  
7/12/2023- Directors bi-weekly meeting
