

CITY OF GROVEPORT
REPORT TO MAYOR AND COUNCIL

March 14, 2016

ADMINISTRATION – *Marsha Hall*

Legislation

Purchase through a Lease Agreement of a 2016 Versalift/Ford Chassis Bucket Truck (3rd Reading)

This was discussed by Mr. Cleary during the Appropriations. The current bucket truck was determined after several years of service to be unsafe for continued use. The cost of the truck is \$121,825.00. The cost to rent a bucket truck for use is \$1900 per month, which would basically pay for the annual cost to lease.

Founders Bend Neighborhood Park

The installation for the playground equipment has been scheduled. Our staff will prep the area and erect the equipment the week of April 11. The volunteers will assist our staff laying the fabric, mulch and rubber matting on April 16. All of this, of course, is weather permitting. Additional amenities will include four benches around the playground area, a 4 foot sidewalk from the entrance to the playground area, a sign similar to our other park signs, and shrubbery to separate the area from the neighboring backyards.
