GROVEPORT

JANUARY 2021

Mayor Westcamp, Members of Council & Staff

- A promotional process has been completed to create an eligibility list for two years. This process was for the positions of Battalion Chief and Lieutenant. The list will take effect on February 1, 2021, and be valid until January 31, 2023. This process consisted of a written test, peer review, assessment center, and oral interview.
- We have begun the full-time hiring process for three new full-time firefighters. These newly created positions are a result of the SAFER Grant that Madison Township was awarded. The grant will fully fund these three individuals for three years and add additional staffing to the Department. The hirings will come from the Department's current part-time staff. Individuals were required to submit a letter of intent and resume. They will then be required to participate in an oral interview, background check, and medical physical. We are required to have these positions hired no later than March 10, 2021.
- A large portion of the Department received their first dose of the COVID Vaccine (Moderna) during the week of 12/28/2020. This was a voluntary vaccination, if desired by the employee, and was not mandated. The second round of the shot is scheduled for the week of 01/25/2021.
