Golf Leagues began play the last week of May. 3 leagues dropped out of concern for the ongoing Pandemic. All 3 have indicated they are planning to return in 2021. All outings are either cancelled or on hold until the State lifts the restrictions on Shotgun events and were allowed to have 2 riders per cart.

The Floods the week of May 18th resulted in minor damage to the course. Greens were needed tined shortly following the flood so greens were not affected. The Maintenance crew did an excellent job cleaning up and getting the course up and running. We were able to resume play on Sunday May 21st.

We are continuing to operate under the guidelines issued by the State. We have inquired to the Franklin County Board of Health to clarify guidelines as it relates to the number of riders allowed in a golf cart.
