- 1) Find the GREAT Ridership data attached.

**Groveport Senior Transportation**

- 1) Find the Senior Transportation data attached.
- 2) We are pleased to welcome Aletha Mullins to the Team as our Transportation Coordinator. Aletha comes to us from Canal Winchester Human Services where she successfully directed a multi-faceted array of services including their own version of Senior Transportation, a large food pantry, community and senior outreach, etc. She has already begun learning all things Groveport Transportation related and over the coming months we are confident Aletha will become a key member of the Team.

## Senior Center Council Report April 2026

### April Events & Activities at the Senior Center

#### Masquerade

This year's Spring Party was a Masquerade! Our guests were dressed to hide their identity. Our sponsor for the event was Brookdale Lakeview Crossing Senior Living. Brookdale supplied all the food and our entertainment!

#### Plant Club

Groveport Senior Center has a new and “growing” club! Plant club is a group of members who love house plants. They meet once a month to talk all things plants. They also share plants with each other by propagating their own house plants. The Senior Center benefits from the Club's passion with several new plants growing around the Center. The club meets once a month on the 4<sup>th</sup> Thursday of the month at 1:00.

#### Card Bingo

We have a new game at the Senior Center...Card Bingo! Card bingo is played with playing cards in the same way bingo is played. The caller calls out a card and if you have it in your hand, you toss it to the center of the table. The first player with no cards in their hand yells BINGO. The game is free of charge and sponsored by one of our

members, Melinda Hinson. Card Bingo is played on a Saturday one time a month. Our first event drew 55 players and the second event in April drew 46 players.

### **The Roundhouse Railroad Museum**

Our daytrip in April was to the Roundhouse Railroad Museum in Sugarcreek, Ohio. The tour was very informational and the trains were “huge”.
