

Report to Mayor and Council
April 16, 2018

	Rounds March	YTD
2013	571	865
2014	528	544
2015	422	476
2016	637	1031
2017	464	1218
2018	268	303

Weather continues to derail the beginning of the golf season. Another flood sweep thru the golf course last week. While the course sustained no major damage, it did require the course to be closed another week. Our first 2 leagues are scheduled to begin this week and the forecast looks promising at least short term for their start. Another league is scheduled to begin on Monday April 16th, but the forecast may delay that start.
