

CITY OF GROVEPORT  
REPORT TO MAYOR AND COUNCIL

December 2, 2014

Engineering Department – *Steve Farst*

- Capital Projects:

Town Center construction - Punchlist being addressed. Grading of stormwater management basin completed.

Water Treatment Plant - Roof on plant building erected week of 12/1. Pipeline work constructed under Hamilton Road in late-November.

Links at Groveport/Sanitary - Design underway

- Streets/Street:

2015 Street Program Engineering analysis underway Bidding expected to occur in early February 2015.

Noise Mitigation - Regarding recent petition for noise abatement wall along SR 317 from adjacent residents: I met with ODOT officials on 12/1/14, to discuss ODOT's Noise mitigation program and funding opportunities and requirements. ODOT agreed to research eligibility under the Type II program, for this area. Please refer to the attached letter to ODOT.

- Development projects:

Van Trust Site/Rohr Rd - Site work continues. Water line work expected to commence in December.

Opus Rick VIII site - Greenpointe Dr cul-de-sac construction nearing completion.

Exel Site/Commerce Ct - Site grading and building construction is underway.

Hendron Senior Village - Site construction continues. Sewer construction east of SR 317 resumed and will continue to end of December.

Aireast Ph 3 - Site grading continues. Engineer of record is addressing plan review comments.

Please contact Steve Farst with any questions or concerns.
