Senior Center Council Report February 2022

February was a month of partnership. The Groveport Senior Center was able to partner with Groveport Recreation Center and Groveport Town Hall to offer our members two great events and to showcase the facilities, activities and classes that are available to them at Town Hall and the Rec Center.

February 12, Sweetheart Senior Valentines Dance: The Sweetheart Senior Valentines Dance was quite a success. Seniors in attendance enjoyed dancing to some of their favorite music, a beautifully decorated event space, a food table with lots of variety and even a photo booth with a photo to take home to commemorate the day. Senior Services staff was able to partner in this event providing transportation from the Rec Center & people's homes and provided staff to help work the event. Congratulations to the Town Hall team on this wonderful event that was appreciated and enjoyed by our seniors.

February 9, Rec Center "Young at Heart" event: Groveport Senior Center partnered with the Groveport Recreation Center to showcase the classes available to them through the Silver Sneaker program. Rec Center leadership team joined us for one of our Senior Lunches. They gave lots of information about what is available to seniors at the Rec Center and joined us for lunch with the members to answer questions and to enjoy fellowship. Members were invited to attend a Silver Sneaker Classic Exercise class with instructor Kathy Frank free of charge. Fifteen of our Senior Center members attended the class. All 30 participants in this class received a voucher for a free lunch at the Senior Center.

Armchair Travel: Armchair Travel in February took us on a virtual trip to Kenya. Ashford on Broad Senior Living has been our sponsor for this program for the past year and we have "traveled" to many countries and tried food from those countries. Ashford is no longer able to do this program for us. Our plan is to recreate this very popular activity in-house with the help of a community volunteer (Colleen Blevins).
