

Council Update 4-16-2018

Community Affairs Department – Patty Storts, Director

ARBOR DAY – The Groveport Trees and Decorations Committee invites you to attend this year’s Arbor Day Celebration. Arbor Day will be on Friday, April 27 beginning at 1:15 pm. We will be dedicating the mural at Crooked Alley KidSpace as well as planting trees in the Groveport Elementary School yard and Blacklick Park. We hope you all can attend. The program will begin at Crooked Alley KidSpace.

CAMP SUNSHINE - The information for Camp Sunshine has been sent out and registrations have been trickling in. We are currently taking applications for a Head Camp Counselor. I would like to have this position filled by the May 1 so this person can come in and begin preparation for Camp. Town Hall staff has already been working on projects and scheduling events and activities for this year’s camp.

AMERICAN RED CROSS – We met with the American Red Cross this past week. We have worked so hard to meet our goal of 40 people to even be considered as a blood drive site. A tentative date for our first blood drive is June 18 and will be at Crooked Alley KidSpace. Later blood drive dates will be in October and March of 2019. I will keep you updated on this venture.

HONEYWELL – I met with a member of the Honeywell activity committee this past week. This company is located on Pontius Rd. They would like to become more involved in our community and help out when needed. Discussions were to help out with the Food Pantry, Human Needs and possible collecting items for care packages to be sent overseas to those serving our country. I will be contacting individuals of these organizations to see what can be done to help out. I will keep you updated on this project.

GREENFIELD PLACE – Beginning in May a Town Hall staff member will be going to Greenfield Place once a month to do either a craft, or a simple cooking class for their residents. In the future we would like to do a short trip with those at the facility that normally do not get out a lot.

My door is always open, please feel free to stop in anytime.
