Legislation

Ord. 2023-007 – Reserved Parking Spaces for the Birch Tavern Carryout Customers

The Birch Tavern has requested two parking spots in the Municipal Parking Lot, behind the business, be designated for carryout order parking. Approval of this ordinance would authorize the designation of two parking spots for this requested purpose. This ordinance was unanimously recommended for approval during the February Committee of the Whole meeting.

Administrative Items

CIP Items

As part of my March Committee of the Whole report, I will include a status of the 2023 CIP items in the budget. Staff is working diligently to implement/complete their department's CIP list. Considering the restraint with availability of items, directors are doing a tremendous job implementing the items. Kudos to the directors.
