VIII. Reports

A. Mayor - Lance Westcamp

Mayor Westcamp reported that the City had given Motts Military Museum their annual donation and that Mr. Motts will be attending the March 18th Committee of the Whole meeting to thank Council.

B. Administrator - BJ King

Administrator King stated we have about six military banners left and inquiries can be made to Town Hall. He reported on the heavy hauls and that we still don't know exactly when they're going to come through Groveport. Mayor Westcamp added to the military banners discussion by stating the fine print states the person shall have lived in the City of Groveport at some time, but if someone is in need of purchasing a banner they will make an exception. He encouraged those interested to reserve theirs while we still have them. Mr. King then spoke about how he, Council Member Cleary, and Mike Poirier

went to the High School today to talk to their construction class, and how they are moving forward with constructing a shelter house at Cruiser Park. Mr. Cleary expressed how impressed he was with the program, its instructor, and its students' abilities. He said many of them are likely to get hired by construction companies right out of high school at a prevailing wage. Council and staff then discussed the cost and parameters for the shelter house.

C. Chief of Police - Casey Adams

Chief Adams reported that the PD's new hire Robert Ross will be starting February 29th and gave highlights of his employment history. He then spoke about Intel's heavy hauls and the route they will take through Groveport. Council and staff discussed communication between the Police and Fire Departments in the area and the meeting that will be held on Friday with all involved. Chief Adams added that the hauls are supposed to be only on the weekend but is hoping for clarification. Council and staff then expressed their concerns on the timeline, weight of the trucks, potential damage to our roads, and a potential maintenance bond we are waiting to get for road repairs.

D. Director of Finance - Jason Carr

Finance Director Carr stated that the new credit card process was successful and did not receive many complaints or issues during the utility cycle. He then reported that Clerk of Court Rachel Ricker and Clerk of Council Mindy Kay will be cross training to serve as a backup to each other. Mrs. Ricker is also being utilized in the Finance Department to better our segregation of duties and timeliness. Mr. Rupp inquired if the work load would be overburdening. Mr. Carr assured Council that it would not be.

E. Director of Law - Kevin Shannon

F. Development Director - Michael Loges

G. Council Members - Jean Ann Hilbert, Ed Dildine, Shawn Cleary, Becky Hutson, Scott Lockett and Jack Rupp

Mr. Rupp reported that he had attended the Apple Butter Day and

Fourth of July Committee meetings. He said both committees discussed big changes with their events. Mayor Westcamp commented that the meetings went very well and was excited to share a resident's idea to have a homemade apple pie contest at Apple Butter Day. Mr. Rupp then informed everyone that the school board meeting is being moved from Wednesday to Friday, as a public hearing is scheduled Wednesday.

Mr. Lockett stated that he wants to make sure we lock in a date for Groveport Day this year. He said we had it two years ago and it was a big success and wants to make sure there is plenty of publicity surrounding it this year.

H. Clerk of Council - Mindy Kay

I. Standing Committees

Mr. Cleary gave highlights from the Cemetery Committee meeting on February 7th. He stated that residents have expressed a desire to have memorial benches in the Cemetery.
