***Ord. 2020-009 – Solicit Proposals and enter into contract for cold beverages service at the Recreation Center.***

This ordinance would authorize the Administration to solicit proposals to provide cold beverage service at the Recreation Center. The current agreement was entered into on August 1, 2014 for a three year period, with two one-year renewals initiated. The existing agreement has expired, and an extension until July 31, 2020 has been executed to allow time to solicit proposals for this service.

***Council Chamber presentations upgrades***

Staff has started pricing TV's and cabling needed to improve the capabilities for presentations in the Council Chambers. The City will purchase the TV's. We will contract out the installation of necessary cabling to accommodate connecting laptops to the TV's for presentations. We hope to have this project completed in the next couple of months.
