City Administrator Report to Council
BJ King, City Administrator
January 18, 2022

Legislation

- Resolution 2021-006 – Hunting Bank Master Lease Agreement

Approval of this resolution would authorize the city administration to enter into a master lease agreement with Huntington Bank for the purchase of capital items in 2022. Capital items identified to be funded with the lease proceeds include unmarked vehicles and two vehicle video systems for the Police Department and two busses for the Transportation Department. The City has passed similar legislation in the past to fund capital items.

- Ordinance 2021-067 – Annual Street Maintenance Program

Approval of this ordinance would provide authorization to advertise and receive bids, and award a contract, for the 2022 Street Maintenance Program. Streets to be included in the 2022 program are currently under consideration with the City Engineer and Public Services Director. We anticipate advertising for bids in early 2022.
