Ord. 2022-035 – Proposed 2023 Operating and Capital Budget

The proposed 2023 is scheduled for a first reading during the October 10th Council meeting. The budget should be referred to the October 17th Committee of the Whole. All directors will attend the Committee of the Whole meeting to answer questions about the budget. I look forward to the discussion.

Ord. 2022-036 – Temporary expansion of Police Department staffing level

With upcoming retirements within our Police Department staff, the Police Chief has requested a temporary expansion of staffing within the department. Chief Adams has discussed this request with all of you. This approval will result in the addition of one permanent full-time officer and three additional officers for a temporary period. This is a good approach to continue service and coverage to the community.
