

City of Groveport
Human Resources Report to the Mayor and City Council
January 16, 2019

Human Resources - Sue E Wadley, Personnel Director

- 2019 Health Insurance Open Enrollment has been completed. All employees' benefits are being audited.
- 2018 Workers Compensation claims include two claims that resulted in lost work time of 8 days or less. Safety training in 2019 will be evaluated and provided to address such claims in order to prevent them in the future.
- HR is currently working towards implementing an online application process. This will streamline the hiring process for all departments once it is up and running.
- HR 2019 goals include: utilize the safety committee to continue to provide a safe working environment for all our employees, revising outdate and current forms, and training and development of employees.
