

Council Report – April & May 2026
Community Affairs Department – Jessica Wyke

Easter Eggs-perience

The Easter Eggs-perience was a huge success and very well attended! Children of all ages hunted for 20,000 eggs, visited with the Easter Bunny, cuddled baby farm animals, enjoyed the family selfie station, had their faces painted, and bounced the morning away in the butterfly bounce house!

Arbor Day

We had a beautiful day for this year's Arbor Day celebration! Students from both local elementary schools joined Councilmembers and members of the Trees & Decorations Committee for a brief ceremony, where Mayor Lance Westcamp read the official Arbor Day proclamation. The students also enjoyed interactive activities led by Kristin Figliola and helped plant a tree alongside the Groveport Parks Department.

Princess Party

Groveport Town Hall hosted a groovy, dance-themed Princess Party full of sparkle and fun! Little princesses enjoyed disco-inspired crafts, tasty snacks, and a magical visit from Princess Belle and Moana. The royal guests sang songs, taught a fun dance routine, and posed for photos with everyone. It was a dance-tastic celebration packed with princess magic and disco vibes!

Tea Tasting with the Columbus Symphony Orchestra Duo

The historic ballroom at Groveport Town Hall was filled to capacity for the annual Tea Tasting event, featuring an elegant live performance by a string duo from the Columbus Symphony Orchestra. Guests indulged in a thoughtfully curated selection of fine teas, delicate tea sandwiches, and pastries while enjoying the refined ambiance and timeless charm of live classical music.

Children's Programs

The preschoolers at KidSpace had a fun-filled April and May packed with special celebrations, adventures, and hands-on learning! Students enjoyed an Easter Party and Easter Egg Hunt, followed by a sweet Mother's Day Party celebrating all the amazing moms. Our little learners also hit the road for exciting field trips to the Canal Winchester Library and Blacklick Park. In the classroom, themed learning days kept the fun going with bakery, dinosaur, insect, construction, and zoo activities. A new favorite addition to the schedule has been story time paired with a coordinating craft — the perfect mix of creativity and imagination!
