City Administrator Report to Council
City Council
BJ King, City Administrator
May 24, 2021

Legislative items

- **Ord 2021-020 - Amendment to Codified Ordinance Chapter 153, Public Service Department**
Approval of Ordinance 2021-020 would amend Codified Ordinance 153 to add a section that will allow the City to seek restitution from individuals who cause damage to public property. An example of how this policy will be used is when a motorists has an accident and there is damage to guardrail, street signs, street lights, etc...In the past, the City has paid for the repairs. Approval of this ordinance will provide a process for the City to seek restitution from individuals, or their insurance company, to cover the cost of repairs.
- **Ord 2021-021 CIC to serve as leasing agent for Main Street properties**
Approval of Ordinance 2021-021 would authorize the Groveport CIC to act as leasing agent for the City's new buildings at 480 Main Street and 674 Main Street. This is a process similar to when the CIC was authorized to serve as leasing agent for the Ace Hardware ground lease. If approved, this ordinance would provide authorization for the CIC to serve as leasing agent for any lease transaction for the two buildings. The Administration requests that this ordinance be passed as an emergency since execution of leases is pending.
