

CITY OF GROVEPORT REPORT TO MAYOR AND COUNCIL

July 8, 2020

Engineering Department – *Steve Farst*

- **Capital Projects:**

Alum Creek Drive and
Rohr Road to Port Rd
(Franklin Co. Project)

Phase 1 Construction underway. Travel lanes are altered on Rohr Road between Port Rd and Alum Creek Dr., to accommodate construction. This will continue for several months. Managed by Franklin Co. Engineers office (FCEO)

W. Bixby Rd., Phase 2

Design underway.

Bixford Green Trail

Work substantially complete.

S. Hamilton/Higgins
Intersection improvements

Construction underway. Paving work on south lane beginning this week. This phase of the project will be completed before end of July. Phase 2 improvements plan (OPWC funded) is being prepared for solicitation of bids in July/August.

Streets/Street:

2020 Street Maintenance

Paving work on Old Hamilton Road, Bixby Road and Glendening are complete. On Glendening, the push-button activated flashing crosswalk assembly is yet to be installed. Next phase to include work at intersection of Main Street and College to mill and resurface asphalt, install drainage improvement, correct ADA ramps and sidewalks and add Streetprint crosswalks. This activity will occur in July and August.

Main St. at Front St.

Punchlist items being addressed this month.

Groveport Rd corridor

Two studies are beginning: (1) Safety study between Greenpointe Drive and Kroger entrance, to identify and design intersection improvements at Greenpointe Drive and at SR 317, and (2) planning study of the thoroughfare route between Bixby Road and SR 317 to estimate projected traffic volume for the future and plan needed roadway (lane) improvement concepts to accommodate the future traffic growth. Study reports/deliverables expected before end of the year. Physical improvements would not be implemented in 2020. Consultant is IBI Group, Inc.

- **Development Projects:**

Startech – 4500 Hamilton Rd

Site improvements continue; water and sewer improvements complete

2400 Rohr Rd

Site development plans and new infrastructure plans are under review for this site located at the NE corner of Rohr Rd. and Alum Creek Drive. Mass grading plan was approved and soon earthmoving will begin.

5770 Saltzgaber Rd

Site development plans and new infrastructure plans are under review. Mass grading/earthmoving is underway.

Eastland-Fairfield School

Work has begun. Aviation Tech building
