**Legislation**

**Ord. 2022-048 – Bids for 2023 Street Maintenance Program**

Approval of this ordinance will authorize the City Administrator to advertise for bids and to enter into a contract for the 2023 Street Maintenance Program. The approved 2023 Capital Budget includes \$550,000 for paving/pavement maintenance and \$110,000 for stormwater improvements associated with the street program. The City Engineer and Public Services Director have met to begin discussion about what streets to include in the 2023 program. The final list of streets to be addressed will be shared with Council. I recommend approval of this ordinance.

**Ord. 2022-049 – Bids for repaving the Golf Course driveway**

Approval of this ordinance will authorize the City Administrator to advertise for bids and to enter into a contract for the Golf Course driveway repaving project. This project will be included in the 2023 Street Maintenance Program bid, in an effort to maximize economy of scale. The remaining proceeds from the debt that was issued for the cart path replacements project will be used to fund this project. The driveway is in bad shape and needs to be repaved. I recommend approval of this ordinance.
