

Council Report – January 2022

Community Affairs Department – Jessica Wyke, Director

Events

Sweetheart Senior Dance – Town Hall is partnering with the Groveport Senior Center & Transportation for the Sweetheart Senior Dance held in Town Hall's ballroom. This is a free event featuring music from the 30's – 70's, appetizers/drinks, complimentary boutonnieres, and a display by Rick Palsgrove of yearbooks and pictures from past dances. Each attendee will also receive a framed photo booth keepsake photo to take home. Groveport Transportation/Senior Transportation will be shuttling dancers from the Groveport Senior Center, Greenfield Place, and Senior Village due to parking challenges at Town Hall.

We Love Our Veterans – For February and March, Town Hall's lobby will have a We Love Our Veterans display featuring cases from Motts Military Museum's traveling exhibit. The general public has also been invited to provide a picture, story, and military memorabilia to be displayed during the exhibit.

Valentine's for Veterans – We will be collecting Valentine's Day cards and thank you cards during the We Love our Veterans exhibit to send to the VA Medical Center in Chillicothe where the cards will be distributed to the patients. We have extended an invitation to the schools to participate.

Maintenance

Parks & Facilities have helped out tremendously with getting Christmas taken down, packed away, and organized in the basement.
