

CITY OF GROVEPORT
REPORT TO MAYOR AND COUNCIL
September 16, 2021

Engineering Department – Steve Farst

- **Capital Projects:**

W. Bixby Rd., Phase 2	Road closure is in effect, as of Sept. 7, 2021. Detours are in place. Work activity this month is related to removal and installation of the box culvert under the road carrying Hendron Ditch. Closure is expected to extend for about 60-days, weather permitting and subject to unforeseen conditions.
-----------------------	---

Phase 2 S. Hamilton/Higgins Intersection Improvements	New traffic signal equipment is installed and running. Luminaires are being fabricated, impacted by supply/work delays.
---	---

Streets/Street:

2021 Street Maintenance	Work complete
-------------------------	---------------

Saltzgaber Road reconstruction and Toy Road & Swisher Rd Improvements	Work is underway along Toy Rd, Saltzgaber Rd and along Groveport Rd.
---	--

Storm system:

Alley Drainage	All bids were rejected due to concerns with delay in material fabrication. It was decided that it is in City's best interest to re-bid this winter for spring construction.
----------------	---

- **Development Projects:**

Redwood Apts. Hendron	Engineering plans are approved. Awaiting request for preconstruction meeting.
-----------------------	---

2400 Rohr Rd	Site construction is started at the north end of site in Obetz. Utilities are being installed on site and across Alum Creek Drive.
--------------	--

5740 Greenpointe Dr North	Site construction is in progress.
---------------------------	-----------------------------------

Forward Air Site-Port Rd	Site construction is in progress.
--------------------------	-----------------------------------

CA Ventures Site (Hayes Rd dev)	Construction plans are being reviewed. Mass grading is expected to begin this month, pending plan approval.
------------------------------------	---
