2022	3,283	25,702
2023	2,897	29,074

.
Green aerification went very well and greens have completely healed.

The annual deep tinning of greens is tentatively scheduled for the middle of November.

Bids for the golf car fleet replacement have been received. Numbers and a recommendation will be made to the Mayor and Council at the Meeting on October 16th after complete review of the bids.
