

**CITY OF GROVEPORT  
REPORT TO MAYOR AND COUNCIL**

December 4, 2024

**Engineering Department – *Steve Farst***

- **Capital Projects:**

2024 Street Maintenance Work is complete

2025 Street Maintenance This month we begin the process to evaluate and identify streets to consider for our 2025 program. More to follow in future reports.

Pickle Ball Courts Work is complete. We are in the 1-year warranty period.

Emergency Generators Bixford Green pump station is completed and operational. Waiting on parts  
Bixford PS/Elmont PS for the Elmont pump station generator.

Elmont Force Main Bids are due on 12/6/24. With a valid and acceptable bid, work will proceed  
Replacemnt Ph 3,Pt 1 January 2025. This project will replace a portion of the ex. sewer force main that extends along Bixby Road near Cruiser Park parking lot.

- **Heavy Hauls** ODOT advised the City that future heavy haul/super loads are expected to occur and pass through Groveport's jurisdiction on 12/8, and 12/15/24. See the ODOT website at the following address, for more information:

<https://www.transportation.ohio.gov/about-us/traffic-advisories/district-9/superload>

- **Development Projects**

Franklin International Site improvements are underway.

Please contact Steve Farst with any questions or concerns.
