Administrator King stated that this resolution is done on an annual basis and requested approval. Law Director Shannon added that when this is read at the following City Council meeting there will be a request to suspend the rules as to the three readings and the effective date, essentially because this is an appropriation and will go into effect immediately per the Charter. Mr. Rupp asked if the County was late in getting their estimates to us. Mr. King said that's typically the case with this resolution.
