

Report to Mayor and Council
October 2016

	Rounds	
	September	YTD
2011	2,983	23,781
2012	3,281	29,604
2013	3,343	26,361
2014	3,382	25,265
2015	3,135	23,380
2016	2,773	23,439
2017	2,181	19,216

Green aerification went very well and remaining spots of flood damage have been slit seeded. Tee complexes were aerified the week of October 2nd, and fairways #5 and #6 will be aerified, date TBD. The annual deep tinning of greens is tentatively scheduled for the middle of November.
