MAIN AND WIRT REALIGNMENT PROJECT REMINDER 12/2

Continued to update residents about the forthcoming construction set to begin 1/5/26 with fresh pictures of message boards on display and the ends of Wirt Rd affected by the construction.

GIVING TUESDAY 12/2

Our Groveport team joined forces with Santa to spread holiday joy across the community. 150 gift bags were delivered to our amazing seniors who play such a big role in making Groveport feel like home. A talented group of quilters created 150 patriotic pillowcases for veterans at the Chillicothe Veterans Hospital as well.

HERITAGE HOLIDAY 12/7

Created a video capturing the spirit of our official kickoff to the winter holiday season. Many people soaked up the exceptional early December weather while celebrating our Christmas festival.

FIREFIGHTERS FOR KIDS TOY DRIVE 12/9

Members of the Madison Township Fire Department collected toys that were donated to this year's toy drive in council chambers. The toy drive helps make Christmas brighter for families in need. Rod Crider represented Cypress Grove Condominiums and Friends. They collected 496 food items for the drive. The Paddock Pub also made a significant contribution.

PROFESSIONAL PUBLIC EYE 12/12

Since National Poinsettia Day is 12/12 and the plant is also a signature decoration for Christmas, we featured Meashia and Dawn from the Kroger Floral Department in our local business spotlight Q&A. They gave tips on how to make Poinsettias last longer and whether or not the plant can make pets sick (among other things).

POLICE OFFICER APPRECIATION 12/14

Told the stories of some great officers on staff and how they went out of their way to help citizens recently during bitter-cold nights. Our social followers love Officers Collins, Martin and Dillard!

BUSINESS CHRISTMAS LIGHTS 12/17

I wanted to show how local businesses were getting into the holiday spirit by posting pics of their colorful storefronts.

RESIDENTIAL CHRISTMAS LIGHTS 12/24

Created a video featuring homes that put up Christmas Light displays around Groveport. There was a tremendous amount of holiday cheer in our neighborhoods!
