

## **CITY OF GROVEPORT REPORT TO MAYOR AND COUNCIL**

January 14, 2019

### **Engineering Department – *Steve Farst***

- **Capital Projects:**

Glendening Sewer Rehab	Work is substantially completed. Contractor has to perform sewer main replacement testing and repair fencing and site stabilization.
Hamilton Rd at Firehouse Lane Intersection Imprvts	Shop drawings being assembled for City review. Field work will not begin until late Spring/Summer.
Hendron Ditch Dredging	Work to clean the ditch of sediment substantially complete. Sediment is staged and secured to desiccate until next spring when it will be graded out and seeded in place south of the ditch.

- **Streets/Street:**

2019 Street Maintenance Program	Project specifications to be developed in February and March, in cooperation with the Franklin County Engineers office.
E. Bixby Road Improvements	Working to acquire permits from ODOT and coordination with the Madison Township. Expect to bid this in late winter.

- **Development projects:**

New High School site	Site improvements are being wrapped up
Rickenbacker Central	Site site improvements nearing completion
Compass (AEP) Data Site	Construction is proceeding.

Please be advised I am on medical leave due to foot surgery beginning 1/14/19. My return is not certain, but I hope to be back within two to three weeks. Please contact my assistant Christine Collins with any questions or concerns at 614-836-5301, which she can then relay to me. Thank you for your patience.

Please contact Steve Farst with any questions or concerns.
