- **Det. Del Dalton:** after many years of training (over 400 hours), Det. Dalton earned his Master Evidence Technician certificate. I received a letter of commendation stating that ***“this recognition has been achieved by hard work and dedication to the law enforcement profession and to the mission of the Groveport Police Department.”*** – Mr. Wayne Wiggins, Senior LE Training Officer, The Ohio Peace Officer Training Academy
- *“Kudos to the Police Officers who were working this morning during the ice storm on Saturday, 22nd of November. I was one of many stuck on 317. I would have turned back sooner but slid through the intersection of Groveport Road and 317. I believe acknowledgement should especially be given to the officer who had to leave his patrol car and walked down the road, taking time to check the well-being of each vehicle while assessing the situation much further down the road. On his walk back he stopped briefly to give an explanation of what to expect and told me I was safest staying inside my vehicle. I sat in the driving lane for 2 ½ hours, as I finally could proceed southbound there was an Officer steering us around a stalled vehicle safely and then at Saltzgaber another Officer was directing us. I told him I wanted to go back North and he advised me of the best way to go.
I am a senior citizen who was on her way to Teays Valley HS for volunteer work.
These diligent officers who remained pleasant and concerned while cold and wet will be in my prayers tonight.
Mary L. Marzluf*
- Officers attended the following classes:
 - Fire Arson Investigations
 - Interview and Interrogation and Bullet Proof Mind
