

Council Report – April & May 2025  
Community Affairs Department – Jessica Wyke

### **Easter Eggs-perience**

The Easter Eggs-perience was a very well attended event! Children of all ages hunted for over 15,000 eggs, visited with the Easter Bunny, cuddled baby farm animals, enjoyed the family selfie station, got their faces painted, and jumped in the butterfly bounce house!

### **Arbor Day**

Despite the rain, the Arbor Day celebration was a success! Students from both local elementary schools joined us for a brief ceremony where Mayor Westcamp read the official Arbor Day proclamation. The kids enjoyed interactive activities led by Cristy Duckworth, and planted a tree with the help of the Groveport Parks Department—celebrating growth, nature, and community spirit, rain or shine!

### **Princess Party**

Groveport Town Hall hosted a magical beach-themed Princess Party! Guests enjoyed ocean-inspired crafts, an assortment of snacks, and a visit from Princess Ariel herself, who sang songs and took photos with all the little princesses. It was a splash-tastic celebration full of mermaid magic!

### **Adult Programs on the Go!**

It was a full house for the annual Tea Tasting event in the historic ballroom at Town Hall, featuring a live string duo from the Columbus Symphony performing on stage. Guests enjoyed a curated selection of fine teas, tea sandwiches and pastries, and the enchanting ambiance of live classical music.

### **Children's Programs**

The preschoolers at KidSpace enjoyed some very special events in April & May. They had an Easter Party, Super Hero Party, Camping Party, Beach Party, and 2 fieldtrips; Slate Run and Blendon Woods!
