PUBLIC WORKS

- Crews worked trimming trees for clearance on street lights throughout the City. Also trimmed trees on Hendron Rd. for clearance of equipment for the upcoming street project this spring.
- Assisted with Recreation Center shut-down, painting throughout.
- Brush pick up heavier due to nicer weather, running 2 trucks on Mondays and Fridays.
- Litter pick up on roadways throughout the City for the second time this year.
- Cold patch to hold roadways until asphalt plants open here in April. Areas will be milled then corrected with hot mix.

Any questions and/or concerns contact Dennis Moore.
