Pending Legislation

1st Readings

Ord. 2020-016 – 1st Reading – Amendment to Compensation Plan

The City adopted a Compensation Plan in 2012, which was subsequently amended in 2017. As part of the recently completed Wage Study, Clemans Nelson & Associates reviewed the City’s current Compensation Plan. They made recommendations to amend the current plan structure to provide employees to progress through pay steps 1-3 on an annual basis (Traditional step increase process). After step 3/year 3, any pay increases would be based solely on a merit system. Information about this recommended amendment can be found in my memo to Council about the recommendations from the Wage Study.

Ord. 2020-017 – 1st Reading – Amendment to Pay Scale

Clemans Nelson & Associates recently completed the regularly scheduled Wage Study. Clemans Nelson reviewed the City’s current pay structure, positions, and Compensation Plan. Several recommendations came out of the recent study. Those recommendations are outlined in my Wage Study memo to Council.

2nd Readings

Ord. 2020-009- 2nd Reading – Solicit Proposals and enter into contract for cold beverages service at the Recreation Center

This ordinance would authorize the Administration to solicit proposals to provide cold beverage service at the Recreation Center. The current agreement was entered into on August 1, 2014 for a three year period, with two one-year renewals initiated. The existing agreement has expired, and an extension until July 31, 2020 has been executed to allow time to solicit proposals for this service.

Ord. 2020-012- 2nd Reading - Enact collection of additional \$5.00 from vehicle registration fees

The passage of House Bill 62 by the State Legislation includes a provision that local governments can collect an additional \$5 tax on motor vehicle registrations. Estimates completed by MORPC show that Groveport could collect an additional \$59,000 if this tax was to be levied. In order to initiate this collection, Council would have to approve an ordinance to collection the additional \$5.00.
