

## FACILITIES and PARKS STATUS

April 21, 2014

- The police department project is now complete with the exception of a few minor issues that will be completed after parts arrive. The project went very well and the building is a nice addition to the City.
- Work on the 2<sup>nd</sup> floor of the Municipal Building and the old police department is moving along, we expect to move the Building Department in to their new space by the end of the month.
- The Energy Audit Project has started. All lighting systems at the golf course have been upgraded. New heating and cooling for the kitchen area have been installed and tested. The Computer Aided Facility Management System (FMX) is up and running and all directors attended a training session. The Town Hall and outdoor pool area are next on the list to be upgraded.
- The Parks Department is keeping up with the Spring schedule. The ball diamonds and soccer fields are ready for use. All mowing equipment is serviced and ready to be put into action.
- Repairs on the damaged plaster at the Town Hall is now complete. Painting has started and will be completed by April 22<sup>nd</sup>. New lighting systems will be installed by April 29<sup>th</sup>. The project is on schedule to be completed by May 1<sup>st</sup>.
