PUBLIC WORKS

- Crews continue to work through the ice and snow. The City was able to purchase 150 tons of salt through North American Salt for \$116.00 per ton. At this point there is 100 tons of salt in the barn. Council will be asked to consider passing legislation for the City to be involved in the ODOT bid process to purchase salt. The City must have proof of approved legislation by April 3, 2015 for the City to participate in their bid process. The City will ask for 1000 tons for the upcoming season and is required to purchase all 1000 tons.

Seasonal work continues for crews

- Brush pickup, tree work
- Sign repairs and replacement
- Cold patch
- Water breaks and hydrant repairs

Any questions and/or concerns contact Dennis Moore.
