PUBLIC WORKS

- Crews continue with heavy brush pickup on Fridays and Mondays, and on Tuesdays as needed.
- Asphalt repairs has begun.
- Storm drop repairs continue, 15 to date, this work will continue as found throughout the spring as the “No Dumping” labels will be set on all storm drops and failure is found on these structures.

- Roadside mowing has started with ditches and right-of-ways.
- All bricks are sprayed for weeds throughout the City. This is maintenance that takes place as needed or prior to all summer holidays.

Any questions and/or concerns contact Dennis Moore.
