

Report to Mayor and Council  
July 20, 2015

	Rounds June	YTD
2010	5,220	13,614
2011	4,886	10,385
2012	5,457	15,581
2013	5,053	12,727
2014	4,981	11,690
2015	3,787	10,684

Rain was the norm in June. 19 straight days of rain and 22 of 30 days for the month. The flooding of the course June 20<sup>th</sup> and 21<sup>st</sup> resulted in turf loss on Hole #7, #8, #11, #14, #16, and #17. Once the course has a chance to dry out and the crew can get caught up on mowing the loss areas will be aerified and slit seeded with rye grass. Rye grass was selected because of its quick germination and fast paced growing cycle.

August begins the High School Golf season. The Links will be the home course for Groveport Madison and Madison Christian. Also once again a tournament course for the OCC Girls and the Girls Division 1 District Qualifier.
