Mayor Lance Westcamp reported the 4th of July Committee held its last meeting. The City has a great group representing the 4th of July. The parade does not have a lot of participants as of yet, but Community Affairs Director Patty Storts is passing out more information and weather permitting it will be a good year. Patty Storts does a wonderful job getting everyone organized and they all know what they need to do. TurnPoint Church is a big part of the 4th of July event.

B. Administrator - Marsha Hall

Administrator Marsha Hall requested Council to consider going into executive session to discuss personnel issues and economic development matters. Ms. Hall asked for all four of the staff present to be included in the discussions.

C. Chief of Police - Ralph Portier

Nothing to report.

D. Director of Finance - Jeff Green

Finance Director Jeff Green reported on a meeting with Stella & Dot. They want to know how they can get involved in the community. There are two groups that have come together who feel the company and the community have given them so much, they want to give back in different ways to the community. Staff is looking into ways to get them involved and started with telling them about the food pantry and

human needs. Mr. Green plans to talk to all the department heads and would like to get other companies involved who have already expressed similar interests.

Mr. Green reported that on Wednesday, Council Member Scott Lockett will be hosting a group of 60 tourism Ambassadors at the golf course. Staff will speak on the City of Groveport's attractions and amenities. Tom Walker will talk about the golf course. Staff is excited about this opportunity.

E. Director of Law - Kevin Shannon

Law Director Shannon referred Council to Ordinance 16-033, the creating and establishing of a board to administer claims of the Volunteer Peace Officers' Dependents Fund (VPODF). There is a requirement that City Council appoint two members to that board that are members of the legislative authority. Two members elected by the City of Groveport volunteer police officers auxiliary unit with the Groveport Police Department; Chief Portier can handle that aspect of the matter. Once these four members are elected and hold their first organizational meeting, all four will elect the final member who has to be an elector of the City. This last member cannot be a public employee, member of the legislative authority, or police officer of the City, but must be a resident of the City who is registered to vote.

Mayor Westcamp opened the floor to nominations from Council for the appointment of two of its members to the VPODF Board.

Council Member Dildine, seconded by Council Member Hilbert, nominated Council Member Cleary.

Council Member Cleary, seconded by Council Member Hilbert, nominated Council Member Dildine.

Yes: 6 - Cleary, Dildine, Hilbert, Hutson, Lockett and Rarey

Law Director Shannon stated the next step is for the Chief to have the department's auxiliary unit elect their two members. Once this occurs all four members will get together for the first organizational meeting to appoint a citizen of Groveport, who can vote, to the board. This last member cannot be an employee, another elected official or a police officer. This board needs to be in place within 30 days of the effective date of passage of the legislation. 30 days from the effective date of today, June 13, 2016 is July 13, 2016. Council Member Cleary asked if the meetings of this board are to be public meetings. Mr. Shannon advised he believes they are public meetings but he will look into the matter. Administrator Hall commented she believes they are public meetings, minutes will need to be taken and the new board will have to select a secretary. The secretary will be selected out of the five board members.

F. Council Members - Ed Rarey, Jean Ann Hilbert, Ed Dildine, Shawn Cleary, Becky Hutson and Scott Lockett

Council Member Lockett reported he has been attending the monthly meetings at the Senior Center. They are a fine group of people who do a lot of good things. Mr. Lockett talked to the members about how Council could help them. There is no specific need at this time but he assured them to let him know if they ever need anything.

Council Member Cleary would like to hold a Rules of Council meeting on June 27, 2016. Mr. Cleary nominated Council Member Dildine and Council Member Lockett to be appointed to the Rules of Council Committee. No vote was needed as the positions are voluntary. After discussion on the matter the Rules of Council Committee will meet on July 11, 2016 at 5:30 p.m.

Council Member Cleary commented on the sidewalk along Wirt Road. It looks good and the contractor is working really quickly on the project. The school will not put the fence back up until after the 4th of July event.

G. Clerk of Council - Ruthanne Sargus Ross

Nothing to report.

H. Standing Committees

Council Member Dildine reported on the Street, Trees & Decorations Committee meeting held on April 11, 2016. The committee discussed the Main Street and City beautification process; the greenhouse

plants and flowers, the flags etc. The American Flags are up on the poles and it was suggested the American Flag be displayed from Memorial Day through Veterans Day. Council Member Cleary asked about the City having a series of seasonal flags. Mr. Dildine advised the light poles on Main Street are not strong enough to fly banners. Light poles are slowly being replaced with poles that will support banners on an as needed basis. There was some discussion on getting Groveport's historical facts out there on different mediums; such as, the digital marque signs. The committee is looking into adding more Historical Markers throughout the City, these markers have to go through the Ohio Historical Society for approval. For Earth Day the City ended up with 50 tulip trees and 100 viburnums. The 50 tulip trees were planted around Cruiser Park and other parks. The 100 viburnums will be planted in large pots behind the water plant to allow them to grow larger to be planted where needed. Arbor Day at the elementary school had Mayor Westcamp reading a proclamation and Mrs. Donna Drury reading a poem. The committee has ordered more two-sided, screen printed Groveport City flags to be displayed at various locations still to be determined and one-sided Groveport City flags for interested local businesses. The committee is looking into getting the City flag displayed throughout the City. Arbor Day Flags (Tree City flags) were ordered to be given to businesses and schools if they would like to fly one. The committee would like to see the Tree City flags flown at all City parks. Placards with the names of the apple trees in the apple orchard have not yet been placed. Two Dogwood trees have been placed in front of the Municipal Building. Trees are going to be replaced behind Ace Hardware. Four (4) weeping willows were planted around Palms Pond, 7600 flower seedlings have been planted in the greenhouse and hosta plants have been purchased for under the trees at the Log House.
