

CITY OF GROVEPORT
REPORT TO MAYOR AND COUNCIL

August 8, 2016

ADMINISTRATION – Marsha Hall

Legislation

Bid and Authorize Contracts for the West Bixby Road Reconstruction Phase I Project (2nd Reading)

This is for the necessary legislation for this OPWC funded project. As a follow-up to Steve Farst's comments at the Committee of the Whole meeting, we have decided to bid out the project later in the year and commence the construction in early Spring 2017. We have delayed the public meeting until a later time.

Apply for Accept Senior Options Grant for Senior Transportation Program (1st Reading)

This is the normal annual request for funding toward our senior transportation program. This can be referred to the Committee of the Whole for recommendation.
