The golf course will once again host the Girls Division I District Tournament on Tuesday October 11th.

The new green on #9 is coming along well. We're taking a cautious approach when considering whether to open the green. While on the surface the green looks good, Matt and I are concerned about the lack of depth of the root profile. The next couple of weeks will determine if the green might be available for the Girls District event.

The open Assistant Professional position has been filled. David Rosinski accepted the position and his first day was September 8<sup>th</sup>. His last position was as an Assistant at New Albany Links.

Decker Construction has resumed work on the hillside project. They're expecting to have everything completed in 2 weeks.

Green aerification is taking place this week. It has been posted on the doors and on the phone greeting for the last 2 weeks. We're also reminding players when they call in for tee times. Weather following aerification looks good and should aid in a speedy recovery. and I am concerned about the lack of depth of the root profile
