Council Update – Community Affairs Department – Patty Storts, Director

I will be on vacation the week of September 19.

Suzie Price has joined us at Town Hall as an Activities Assistant. Suzie is working 12:00 noon – 5:00 Monday – Friday answering phones, taking reservations and greeting people as they enter the building. One of my goals when I became Community Affairs Director was to have a staff member at a desk in the Art Gallery to meet and greet. I feel that it is important to have anyone walking into Town Hall to immediately be greeted and assist them in any way they can.

Fall is in the air and that means Apple Butter Day will be here soon. Be sure to mark your calendar for October 8 and come to Heritage Park to enjoy all the crafts, good food and entertainment. New additional features for this year will be a small steam engine demonstration by the Palm Pond and "Bring the Farm to you" will be setting up a Child's Homestead. This set up is a real-world exploration of times gone by. It is set up as an old fashioned homestead for children to explore, kids will visit stations to grind and sift grain, roll dough, comb wool, use washboards, play with rolling hoops, stilts, wooden toys, wagons, and much more.

Be sure to stop into Town Hall and see the finished community project (art piece) that was done with Bixby Living Skill Center. It is more awesome in real life than in picture.
