

CITY OF GROVEPORT OHIO

Monday September 19, 2016 Groveport Transportation Department Report to Mayor and City Council

GREAT has turned the corner so to speak having launched system enhancements on September 5th. GREAT is able to offer some additional hours of operation during evenings and weekends over peak season last year. We also completed a re-configuration of our combined Groveport and Obetz Red Route in order to align with the new COTA Line #81 through Amazon. A few growing pains to these adjustments were quickly addressed so that everyone can get to and from work safely and efficiently.

GREAT was pleased to take part in the FamJam on August 27th downtown at Genoa Park. MORPC invited us to partner with them in presenting a variety of transportation options targeting workplace access. We were able to speak with current and former users of the GREAT system who gave us high marks for the service we offered. We hope that the transportation limited job seekers took away the message that Groveport and Obetz areas of Rickenbacker are truly connected.
