Council Update

Community Affairs Department – Patty Storts, Director

Once again the weather was great for the 43rd Apple Butter Day. I heard good comments from vendors on how well they did and numerous comments that people love to come to Groveport's Apple Butter Day. Appleseed Way (children's area) was also a huge hit with additional activities added. This year was the first year that the committee decided to try to put some craft and food vendors by the pond. At the end of the day I went back to speak with the vendors to see how they did and they were all happy they chose to attend as a vendor.
