**2017 Budget**

As promised in our expanded mid-year analysis provided to Council in August and our 2017 Appropriations discussion in October, you will find under separate cover an explanation of the differences between our projected carryover balances and actual balances. This explanation goes along with Ordinance 2017-006 adopted at your last Council meeting.

**SWACO**

SWACO has reduced the landfill tipping fee effective April 1, 2017. Since we are a member of SWACO residents should expect to see a small decrease of \$0.25 per month, reducing the \$14.00 per month fee to \$13.75.

**Executive Session**

Please consider an executive session for the discussion of imminent legal action.
