

CITY OF GROVEPORT OHIO

Monday March 20, 2017 Groveport Transportation Department Report to Mayor and City Council

The Transportation Department is pleased to report that on February 17th, we received a new addition to our Senior Transportation fleet of vehicles. This MV-1 is a relatively new vehicle designed and built from the ground up to meet all ADA vehicle requirements without modification. This vehicle was purchased with an 80%, \$44,410.00, FTA grant administered through MORPC so the City of Groveport's portion was only \$11,103.00. We placed the MV-1 in service immediately and have received very good reviews from our clients so far. We will have it on display prior to the Committee of the Whole in front of the Municipal Building and we hope you will take this opportunity to stop and see it.
