

# CITY OF GROVEPORT REPORT TO MAYOR AND COUNCIL

May 8, 2017

## ADMINISTRATION – *Marsha Hall*

### *Legislation*

Prohibiting animals in established designated areas for certain City sponsored or City supported events (3<sup>rd</sup> Reading)

This will provide enforcement capabilities to prohibit animals from City sponsored or supported events and festival areas.

### *Miscellaneous*

#### Centralized Collection

The centralized collection of income tax by the State of Ohio has been removed from the Budget Bill. Instead, money has been inserted to upgrade the state's Ohio Business Gateway system which already allows businesses to submit taxes through the system. The re-built system is scheduled to be completed by January, 2019. In all probability, centralized collection will be re-visited once the re-built system is up and running.

#### Memorial Day Ceremony

We have received notification from the VFW that the Groveport Cemetery ceremony time will be at 1:30 instead of 1:45.

#### Volunteer Assistance

The Groveport United Methodist Church Action Day went very well. We more than appreciate the work that they completed. Madison Christian School Seniors are mulching around trees as a community project. I will send thank you letters to all who assist us.
