ARBOR DAY

Arbor Day was celebrated in Groveport on April 28, at the Groveport Elementary School. Ninety students from the 3rd grade class celebrated with members of the Trees and Decorations Committee, Mayor, Council and Administration. The Trees and Decorations committee purchased apples, t-Shirts and gave each student a white pine seedling to take home and plant.

I received in the mail a Thank You letters from the students. The students were so appreciative that the Mayor took time out of his busy schedule to join them in celebrating Arbor Day

Comments were:

“Thank you Mayor for reading us that beautiful poem”

“I loved the tree and went home and planted it in my backyard”

“I always wanted to see the Mayor in real life and appreciate you helping us plant a tree”

“It was really cool having the Mayor there and that he read a poem about Arbor Day”

“Arbor Day was a real blast”

“I had the best Arbor Day ever”

“You are the best. Thank so much for putting your time and coming to Groveport Elementary, you guys are the best”

“I liked putting dirt around the tree and learned what Arbor Day was”

“I don’t like getting dirty but I liked planting the tree”

“Thank you Mayor for reading the poem that went on and on and on.”
