No smoking on the patio signs have been posted and all employees of the Golf Course and Paddock Pub have been instructed to enforce the ban.

Beginning July 1st a spectator riding fee will be put into place. Over the past several years we have seen a significant increase in the number of non-playing riders requiring additional carts per groups. I have checked with several other area courses and they have already instituted a rider fee. The fee will be the standard cart fee approved by Council, \$6.00 for 9 and \$12.00 for 18 holes. Signs will be posted in the Golf Shop informing players of the change in the policy.
