

CITY OF GROVEPORT OHIO

Monday June 19, 2017 Groveport Transportation Department Report to Mayor and City Council

The Transportation Department has been all about maintaining business as normal which means continuous improvement, customer service and increased communication for both Senior Transportation and GREAT.

- The seniors are receiving monthly updates which include the city activities we support with transportation both in and outside this department. This has led to an increase in personal ridership hopefully reminding seniors that they can be on the go and not a prisoner of their home.
- We continue to evaluate the May changes to GREAT & COTA and have already identified areas to improve in September.
- GREAT was on the presentation agenda when the Greensboro, NC Chamber of Commerce visited Columbus and Rickenbacker on May 10th & 11th. It is always a privilege to share the GREAT story and how active City Council support and a small town can-do attitude yield GREAT results.
- We have included a photo of the new COTA/GREAT shelter located at the Marathon station. It was a bit delayed but it is being well used.

Thank you,

Bob Dowler, Director of Transportation
